## House of Delegates Comments

By Claude W. Anderson

We survived through marathon-like sessions our deadline for the House to consider all bills introduced by House members last Wednesday. With committee calendars cleared, the House spent entire days in session. Thus many bills received the guillotine while others are now before the Senate for consideration.

Among the defeated issues are ERA, the reorganizaiton of county government and spending limit proposals. ERA was completely defeated as the proposal to place it on a statewide advisory referendum was referred back to committee on deadline day and thus died on the committee calendar. Thus ERA died for the 8th consecutive year in the Assembly.

Other legislation defeated by the House was the measure that would have completely reorganized county government in order to make it more uniform throughout the state. However, as Virginia counties are not uniform in population, needs, and desires, it would have been impossible to satisfy all counties.

Since California's proposition #13, many people have become concerned with placing a "spending limit" in the State Constitution. However, the House defeated such a measure and opted to have study done and presented to the 1980 General Assembly. However, the Senate passed a "spending limit" measure and it is now before the House. Therefore, the question is still very much alive in the House.

The House did pass the Rescue Squad legislation that allows the local government to decide the standards of their Volunteer Rescue Squads if they fail to meet the State Health Department's demands. At the moment, it appears that the measure will also pass the Senate.

Last week the House also heard and passed the Budget for 1980, and it is now before the Senate for consideration. Among the numerous amendments was one to increase basic school aid by increasing the standard of equality per student from $936 to $960. The Budget is expected to pass the Senate with minor changes at the most.

New issues for the House to consider are many as the Senate sent over 700 bills for the final two weeks. Among them are marijuana law reforms and a measure which would call a special session to consider legislation vetoed by the Governor.

The marijuana law reform bill, introduced by Senator Frederick C. Boucher, D-Abingdon, would revise and relax the penalties for several marijuana - related offenses and allow the use of the drug for medicinal purposes, if prescribed by a doctor. The intent of this bill in relaxing laws on minor offenses is so that police would then be able to concentrate more on the large importers and trafficking of marijuana, as this is the base of the drug abuse problem. Also, doctors would be able to prescribe the drug for patients with glaucoma and other diseases which marijuana has been effective in treating.

Senate Joint Resolution 122 introduced by Senate Majority Leader Abe Brault, D-Fairfax, proposes to establish a limited reconvening of each session of the General Assembly to permit action on bills vetoed or sent back for amendment by the Governor. The feeling here is that the legislature is more nearly representative of the people and moreover their job is to legislate. The Governor's deadline for signing bills into law is after the adjournment of the Assembly, thus, he as Executive, can single handily delay our legislation for at least one year or even defeat it. Thus, this limited session would consider his vetoes and/or suggested amendments and we may exercise our constitutional right to override his veto or pass the suggested amendments instead of waiting until the next General Assembly.

Our deadline for considering Senate bills in committees is Monday, February 19. That legislation will then go to the floor of the House and we should be able to meet our adjournment deadline of February 24.

Please feel free to contact me on any issues. My address is: Room 511, General Assembly Building, Richmond, VA. 23219 Phone 786-6608.

## Flue-Cured Tobacco CO-OP Plans Meeting

Flue-Cured Tobacco Cooperative Stabilization Corporation, the grower organization which administers the price support program for flue-cured tobacco, will hold its 21st annual district meeting for Virginia growers in Chatham, Virginia. Roy B. Davis, Jr. of South Boston, Director from Virginia, and Fred G. Bond, General Manager, jointly announced that the meeting will be held in the Pittsylvania County Educational and Cultural Center Auditorium, on February 23, beginning at 2:00 p.m.

The CO-OP's operational report for the calendar year will be given. Stabilization's stocks totaled 599.5 million pounds as of January 1, 1979. Davis noted that on January 1, 1978, Stabilization held 585 million pounds of tobacco in inventory. He further added that Stabilization's sales for calendar year 1978 totaled 50.5 million pounds which was considerably less than the calendar year sales activity of 1977 which totaled 219 million pounds. Even though sales were down, year-end stocks show less than a 15 million pound increase over the previous year due to the low volume of 1978 receipts of 64.9 million pounds.

In addition to Stablization's report, reports will be given by representatives of Tobacco Associates, Inc.; Tobacco Growers' Information Committee; USDA-AMS Inspection (Grading) Service; and other allied organizaitons and agencies. Ample time will be provided for discussion.

A brief business session will be held immediately following the regular meeting for the purpose of electing Stabilization's Advisory Committee members from each of the flue-cured tobacco producing counties for the coming year.

Davis added, "Flue-cured growers are urged to make every effort to attend Stabilization's meeting in order to get a better understanding of the Cooperative's operations."

PRIMARY MENU

Wed., Feb. 21 - Spaghetti, cheese squares, tossed salad, rolls, butter, peaches, milk.

Thurs., Feb. 22 - Hamburger, Green peas, Candied yams, Fruit, Milk.

## 4-H Teens Raising Funds For Nebraska Trip

Appomattox 4-H Teen Leader Club will be sponsoring a fund raising drive over the next two months to help raise money for the summer 4-H Interstate Exchange Trip to Nebraska. All 4-H members and interested persons are invited to help. The 4-H'ers will be selling old fashioned hard candy that has been packaged by College Farms Candies in Pennsylvania. Various flavors are available.

4-H'ers interested in helping with the fund raising drive may stop by the Extension Office and obtain the candy. Cash prizes of $50.00, $30.00 and $20.00 will be awarded to the top three fund raisers.

Pictured above are Laura Walton, David Caldwell, Cheryl Walton, Willis Fleshman, Allen Smith and Blair Smith

All funds raised will be used to help offset the expenses involved for the 12-15 4-H'ers that will travel to Nebraska during late July this summer. 4-H'ers taking part in the trip will be available to present programs for civic groups upon their return.
